Welcome! You have just joined a dedicated organization. We hope that your employment with Software BOTS Inc, will be rewarding and challenging. We take pride in our employees as well as in the products and services we provide.

The Company complies with all federal and state employment laws, and this handbook generally reflects those laws. The Company also complies with any applicable local laws, although there may not be an express written policy regarding those laws contained in the handbook.

The employment policies and/or benefits summaries in this handbook are written for all employees. When questions arise concerning the interpretation of these policies as they relate to employees who are covered by a collective-bargaining agreement, the answers will be determined by reference to the actual union contract, rather than the summaries contained in this handbook.

Please take the time now to read this handbook carefully. Sign the acknowledgment at the end to show that you have read, understood, and agree to the contents of this handbook, which sets out the basic rules and guidelines concerning your employment. This handbook supersedes any previously issued handbooks or policy statements dealing with the subjects discussed herein. The Company reserves the right to interpret, modify, or supplement the provisions of this handbook at any time. Neither this handbook nor any other communication by a management representative or other, whether oral or written, is intended in any way to create a contract of employment. Please understand that no employee handbook can address every situation in the work place.

If you have questions about your employment or any provisions in this handbook, contact Human Resources.

We wish you success in your employment here at Software BOTS Inc.

All the best,

Kesava Kunapareddy

President

Software BOTS Inc,

### 1.2 At-Will Employment

Nothing in this handbook or any other Company document should be understood as creating a contract, guaranteed or continued employment, a right to termination only "for cause," or any other guarantee of continued benefits or employment. Only the President has the authority to make promises or negotiate with regard to guaranteed or continued employment, and any such promises are only effective if placed in

writing and signed by the President.

If a written contract between you and the Company is inconsistent with this handbook, the written contract is controlling.

Nothing in this handbook will be interpreted, applied, or enforced to interfere with, restrain, or coerce employees in the exercise of their rights under Section 7 of the National Labor Relations Act.
